

How SDKC is preparing for your visit to the DZ:

- » Temperature taken, questionnaire & waiver addendum filled out daily
- » Sanitizing stations will be available throughout the facility
- » All common surface areas will be cleaned routinely
- » Aircraft will be sanitized between flights
- » Restrooms available in airport office only
- » Social distancing is required throughout the DZ & Oasis
- » Face covering is required when within 6ft of others
- » Reduced number of slots per flight
- » In aircraft, all must wear face covering / full face helmet visor closed & gloves on
- » Max of 10 in packing hut at a time. Pack & exit to clear area for next person
- » Packing outside is a great option! We can utilize additional hangers if needed

How YOU can prepare for day at the DZ & Oasis:

- » Mandatory items to bring: camping chair, face covering, gloves & full face helmet
- » Please bring personal sanitizing goods
- » Keep money on account to reduce manifest interaction (CC info can be kept on file)
- » Mandatory self manifest through Burble for all skydives
- » We strongly encourage you to pack your own gear to minimize shared germs
- » Organized cohort groups for entire day is recommended (same people on each load)
- » Social distancing is required throughout the DZ & Oasis

These policies will be strictly enforced! Anyone not following will be asked to leave.

Your actions affect everyone else so please be responsible & respectful of others.
