

How SDKC is preparing for your visit to the Drop Zone:

- » Temperature taken, questionnaire & waiver addendum filled out upon arrival
- » Sanitizing stations will be available throughout the facility
- » All common surface areas will be cleaned routinely
- » Goggles will be sanitized between each use
- » Aircraft will be sanitized between flights
- » Reduced # of jumpers per flight
- » In aircraft all passengers must wear face coverings
- » Social distancing will be in affect except for harnessing, plane ride & skydive
- » Face covering is required when within 6ft of others

How YOU can prepare for your day at the Drop Zone:

- » Bring camping chair, face covering & gloves
- » Please limit amount of spectators/children joining you. For those that must come, should bring personal camping chair & face covering. Spectators must stay in spectator area.
- » Fill out waiver online before arriving to reduce paperwork at facility
- » Face covering is required during training, harnessing & any time within 6ft of others.
- » Under canopy, before landing, face covering should be put back on

*These policies will be strictly enforced! Anyone not following will be asked to leave.
Your actions affect everyone else so please be responsible & respectful of others.*
